If "split" (meaning each parent has physical custody of at least one (1) child), the amount shall be allocated to each parent based upon the number of those children in the physical custody of that parent (see Table C on page 3). If "shared" (meaning each parent has actual overnight custody of the children for a certain percentage of time), the amount will be allocated based on the percentage of time (Table B below).

<b>B. SHARED PHYSICAL CUSTODY:</b> Wyo. Stat. § 20-2-304 (c) provides for special support computation of support when each parent keeps the children overnight for more than twenty-five percent (25%) of the year <i>and</i> both parents contribute substantially to the expenses of the children <i>in addition to</i> the payment of child support. If this is the custodial arrangement, support may be computed as follows assuming all other statutory provisions apply.

compu	<b>D. SELF-SUPPORT RESERVE COMPUTATION:</b> Wyo. Stat. § 20-2-304 (f) provides for special computation of support when the difference between the obligor's net income and the self-support reserve is less than the support obligation as calculated using the support tables for presumptive support on page 1. In such cases, the support should be computed as follows:			
16.	Net income of the obligor or parent paying support	\$		
17.	Self-Support Reserve: Find the current "self-support reserve" by going to the Family Law Forms at <a href="https://www.courts.state.wy.us/legal-assistances-and-forms/court-self-help-forms/">www.courts.state.wy.us/legal-assistances-and-forms/court-self-help-forms/</a> . Enter the number provided.	\$		
18.	Subtract line 17 from line 16.	\$		
19.	If the amount on line 18 is <u>less</u> than the child support due as calculated on line 7 of Table A, line 11 of Table B, or line 15 of Table C, then line 18 is the <b>monthly child support obligation</b> . Enter the amount here.	\$		
	If the amount on line 18 is <u>more</u> than line 7 of Table A, line 11 of Table B, or line 15 of Table C, then skip to line 20.			
20.	If the amount on line 18 is <u>more</u> than the child support due as calculated on line 7 of Table A, line 11 of Table B, or line 15 of Table C, then the child support calculated on line 7 of Table A, line 11 of Table B, or line 15 of Table C is the <b>monthly child support obligation</b> .
