

# GENERAL INSTRUCTIONS FOR REQUESTING TEST ACCOMMODATIONS

The Board of Law Examiners (“BLE”) encourages persons with disabilities to apply for test accommodations. Reasonable test accommodations will be made on the Wyoming Uniform Bar Examination (“UBE”) for qualified applicants with disabilities. The UBE is a two-day timed examination designed to test the knowledge and skills necessary for one who seeks admission to the Wyoming State Bar.

It is the policy of the BLE to administer the bar examination and all other services of this office in accordance with the Americans with Disabilities Act, as amended (“ADA”). A qualified applicant with a disability who is otherwise eligible to take the bar examination, but who cannot demonstrate under standard testing conditions that he/she possesses the knowledge and skills to be admitted to the Wyoming State Bar, may request reasonable test accommodations.

The BLE will make reasonable modifications to any policies, practices, and procedures that might otherwise prevent individuals with disabilities from taking the bar examination in an accessible place or manner, provided such modifications do not result in a fundamental alteration to the examination or other admission requirements, impose an undue burden, or jeopardize examination security. In order to accommodate disabled persons, the BLE will furnish additional testing time, auxiliary aids, and other accommodations when necessary to ameliorate the impact of the applicant’s disability on the applicant’s ability to take the bar examination. No additional charges will be assessed to individuals with disabilities to cover the costs of reasonable accommodations.

Requests for test accommodations will be evaluated on a case-by-case basis. The applicant must submit documentation from one or more qualified professionals that provides information on the diagnosed impairment(s), the applicant’s current level of impairment, and the rationale for the accommodations requested on the bar examination. In addition, the applicant must submit verifying documentation of his or her history of accommodations, if any. All documentation will be retained by the BLE and may be submitted to one or more qualified professionals for an impartial review. Accommodations granted elsewhere do not necessarily entitle an applicant to accommodations on the bar examination, although the BLE gives considerable weight to documentation relating to past accommodations received in similar testing situations or in response to an Individualized Education Plan (IEP) or Section 504 plan.

## DEFINITIONS

1. *Disability* is a physical or mental impairment that substantially limits one or more of the major life activities of the applicant. In the bar examination setting, the impairment must limit an applicant’s ability to demonstrate, under standard testing conditions, that the applicant possesses the knowledge, skills, and abilities tested on the bar examination.
2. *Physical impairment* is a physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the body’s systems.

3. *Mental impairment* is any mental or psychological disorder such as intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, or any specific learning disability.
4. *Major life activities* include, but are not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.
5. *Reasonable accommodation* is an adjustment or modification of the standard testing conditions, or an appropriate auxiliary aid or service, that ameliorates the impact of the applicant’s disability without doing any of the following:
  - a. fundamentally altering the nature of the bar examination, including but not limited to compromising the validity or reliability of the examination; or
  - b. imposing an undue burden on the BLE; or
  - c. jeopardizing examination security.
6. *Qualified professional* is a licensed physician, psychiatrist, psychologist, or other health care provider who has appropriate training in the field related to the applicant’s disability.

## **FILING DEADLINE**

Requests for accommodations will be considered after receipt of all required information. The Applicant Checklist, located in Section V of Form 1: Applicant Request for Test Accommodations, must be submitted with the application. The applicable items specified in the Applicant Checklist must be completed and received by the Wyoming Supreme Court on or before the filing deadline of the exam the applicant wishes to take.

Applicants with disabilities are subject to the same application deadline as individuals without disabilities. Because some of the accommodation request forms require input from third parties, the appropriate individuals should be asked to complete the forms well in advance of the deadline.

A timely request for test accommodations for the February administration of the Wyoming UBE must be submitted with the application and received no later than the third Friday in November.

A timely request for test accommodations for the July administration of the Wyoming UBE must be submitted with the application and received no later than the third Friday in April.

## **UNTIMELY/EMERGENCY REQUESTS**

An applicant may file an emergency request for special testing accommodations after the time prescribed in the above section if all of the following conditions are met: (1) the application to take the UBE was timely filed and complete in all other respects; (2) at the time of filing the application to take the UBE, the applicant did not have the disability or was unaware of a disability that would necessitate special testing accommodations; and (3) after acquiring the disability, the applicant promptly submits a request for special testing accommodations on the forms required by the BLE. An emergency request will not be accepted fewer than seven days preceding the scheduled bar examination.

## **BLE'S DECISION**

Following receipt of a completed application for special testing accommodations, the BLE will determine what accommodations are reasonable, if any. The BLE may provide accommodations different from those requested by the applicant if the BLE determines that the accommodations provided will effectively ameliorate the impact of the applicant's disability. The BLE will notify the applicant in writing of any reasonable accommodations the BLE has determined to provide. If the BLE determines that a request for special testing accommodations should be denied, the BLE will so inform the applicant in writing, which will include a statement of the BLE's reasons for denial.

## **APPEALS**

The applicant may appeal the denial of a request for special testing accommodations. The appeal shall be filed with the Wyoming Supreme Court within 15 days of the date of the notice of denial. The appeal shall be conducted on the basis of the record compiled before the BLE, and the applicant will be limited to a written argument in support of the appeal. The BLE's denial of an emergency request is not appealable. Within 10 days of the filing of an appeal, the Court will affirm, reverse, or modify the BLE's decision and prepare a written ruling with reasons for the decision. The decision on appeal shall be final.

## **RETAKE APPLICANTS**

Applicants who retake the examination must submit Form 1: Applicant Request for Test Accommodations each time they apply for the bar examination, even if they previously requested and were granted accommodations by the BLE. It is not necessary to resubmit supporting documentation that was submitted with a previous request, provided the applicant sat for the Wyoming UBE within the preceding three years and (1) is requesting the same accommodations that were received previously on the Wyoming UBE and (2) has had no material changes in his/her condition. New supporting documentation is required if there is *any change in the accommodations requested*. An update to prior medical documentation is required assessing the applicant's *current* functional limitations and ongoing need for accommodations if the nature of the applicant's disability or disabilities is changeable. The BLE reserves the right to request an update to prior documentation in all cases if it determines that the prior documentation is insufficient to establish the applicant's current level of impairment and need for accommodations.

## **STEPS FOR SUBMITTING A COMPLETE REQUEST**

**This application packet contains seven separate forms, but you need only submit those forms and documents that pertain to your particular disability.** Please carefully review the information below to ensure that you submit a complete request. A checklist is provided in Section V of Form 1: Applicant Request for Test Accommodations, which you should complete and submit with your request. All required forms and documentation must be submitted together by the deadline.

**IMPORTANT NOTE: Some of the forms that must be submitted with your request must be completed by third parties and returned to you for submission to the BLE.** Make certain that you request completion of these forms by the third parties in a timely manner so that you are able to submit your request by the deadline.

**STEP 1: Have a qualified professional complete the applicable disability verification form and return it to you for submission to the BLE.** There are separate forms for learning disabilities, AD/HD, psychological disabilities, visual disabilities, and physical disabilities. You will need to complete the top portion of the applicable disability verification form and request that your qualified professional complete the rest of the form and return it to you. Your qualified professional should attach to the completed disability verification form a comprehensive evaluation report and/or relevant records, as specified in the form.

**STEP 2: Gather verifying documentation of your history of accommodations requests, if any.** Submit a Form 7: Certification of Accommodations History completed by each educational institution or testing agency (hereinafter “entity”) from which you requested accommodations, whether your request was granted or denied. Complete the top portion of the form and request that the entity complete the rest of the form and return it to you for submission to the BLE. Alternatively, you may provide other proof of your accommodations history, such as a copy of the letter(s) you received from the entity notifying you of the specific accommodations granted or denied. The proof should identify the time frame (e.g., third year of law school) and the nature of the disability (e.g., AD/HD) for which any accommodations were granted or denied. If you received accommodations as a result of an IEP or a 504 Plan, please provide copies of all IEPs or 504 Plans.

**STEP 3: If the nature of your disability is AD/HD or a learning disability, provide transcripts.** Attach copies of your undergraduate and law school transcripts and your LSAC Candidate Item Response Report. Exact photocopies of transcripts are acceptable for this purpose. You can obtain your LSAC Candidate Item Response Report by logging in to your LSAC account at [www.lsac.org](http://www.lsac.org). Click on Item Response Report (IRR) under the LSAT and LSAT Status Tab, and print the report. If you have trouble obtaining the report, contact an LSAC representative at 215-968-1001.

Learning disabilities and AD/HD are developmental disorders with childhood onset, even if not diagnosed until adulthood. Transcripts or report cards of your elementary, middle school, and high school education, while not required, are useful in providing evidence of symptoms and impairment present during childhood. The BLE reserves the right to request such academic records in particular cases.

**STEP 4: Complete and sign Form 1: Applicant Request for Test Accommodations.** Attach all relevant forms and documents, as indicated above, so that all required documentation is provided in one submission.

# FORM 1: APPLICANT REQUEST FOR TEST ACCOMMODATIONS

Describe how this determination was made, including whether any symptom validity tests were administered. If such tests were not administered, please state why they were not.

---

---

---

**ATTACH A COMPREHENSIVE EVALUATION REPORT.** An applicant's specific learning disabilities must have been identified by an appropriate psychoeducational assessment process that is well documented in the form of a comprehensive diagnostic report. The provision of reasonable accommodations is based on assessment of the *current* impact of the disability on the specific testing activity. Although a learning disability normally is lifelong, the severity and manifestations can change. The BLE generally requires documentation from an evaluation conducted within the last five years to establish the *current* impact of the disability. **Attach to this form a copy of the comprehensive evaluation report and all records and test results on which you relied in making the diagnosis and recommending accommodations for the Wyoming Uniform Bar Examination.** The evaluation report should include the following:

- A. An account of a thorough diagnostic interview that summarizes relevant components of the individual's developmental, medical, family, social, and educational history;

- B. Clear, objective evidence of a substantial limitation to learning or performance provided through assessment in the areas of cognitive aptitude, achievement, and information processing abilities (results must be obtained on standardized test(s) appropriate to the general adult population and be reported in age-based standard scores and percentiles);
- C. Interpretation of the diagnostic profile that integrates assessment data, background history, and observations made during the evaluation process, as well as the inclusion or ruling out of possible coexisting conditions (such as previously diagnosed psychological issues or English as a second language) affecting the applicant's performance;
- D. A specific diagnostic statement, which should not include nonspecific terms such as "learning differences," "learning styles," or "academic problems"; and
- E. A rationale for each recommended accommodation based on diagnostic information presented (background history, test scores, documented observations, etc.).

### **III. FORMAL TESTING**

It is important that the tests used in the evaluation are reliable, valid, and age-appropriate, and that the most recent edition of each diagnostic measure is used. Scores should be reported as age-based standard scores and percentiles. The following lists of tests are provided as a guide to assessment instruments appropriate for the adult population. The lists are not intended to be all-inclusive and will vary with the needs of the individual being evaluated.

#### **1. Aptitude/Cognitive Ability**

- Wechsler Adult Intelligence Scale IV (WAIS IV) (or most current version) (including IQ, index, and scaled scores)
- Woodcock-Johnson III (WJ III): Tests of Cognitive Ability
- Stanford-Binet Intelligence Scale (4th ed.)
- Kaufman Adolescent and Adult Intelligence Test

Please note: The Slossen Intelligence Test and the Kaufman Brief Intelligence Test are primarily screening instruments and should not be considered comprehensive measures of aptitude/cognitive ability.

## 2. Achievement

- Woodcock-Johnson III (WJ III): Tests of Achievement
- Wechsler Individual Achievement Test (WIAT)
- Scholastic Abilities Test for Adults (SATA)

Please note: The Wide Range Achievement Test: Third Edition (WRAT-3), the Peabody Individual Achievement Test (PIAT, PIAT-R), and the Nelson Denny Reading Test are not comprehensive measures of academic achievement and should not be used as sole measures in this area.

## 3. Information Processing

- Wechsler Memory Scale III
- Swanson Cognitive Process Test (S-CPT)
- Test of Adolescent/Adult Wordfinding (TAWF)
- Information from subtest, index, and/or cluster scores on the WAIS III (Working Memory, Perceptual Organization, Processing Speed) and/or the Woodcock-Johnson III (WJ III): Tests of Cognitive Ability (Visual Processing, Short Term Memory, Long Term Memory, Processing Speed) and/or The Detroit Tests of Learning Aptitude-Adult (DTLA-A), as well as other neuropsychological instruments that measure rapid automatized naming and/or phonological processing

## **IV. ACCOMMODATIONS RECOMMENDED FOR THE WYOMING UNIFORM BAR EXAMINATION (CHECK ALL THAT APPLY)**

The Wyoming Uniform Bar Examination (UBE) is a timed written examination administered in three- hour sessions from 9:00 a.m. to noon and from 1:30 p.m. to 4:30 p.m. on Tuesday and Wednesday as scheduled twice each year. There is a lunch break from noon to 1:00 p.m. each day.

The first day consists of six essay questions (MEE) in the morning session and two performance test (MPT) questions in the afternoon session. The MEE and MPT are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop computers to type their answers, or they may handwrite their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered

in the morning session and 100 questions in the afternoon session. Applicants record their answers by darkening circles on an answer sheet that is scanned by a computer to grade the examination.

Applicants are assigned seats, two per six-foot table, in a room set for up to 100 applicants. They are not allowed to bring food, beverages, or other items into the testing room unless approved as accommodations. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs provided by the BLE. They may leave the room only to use the restroom or drinking fountain, within the time allotted for the test session.

**Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?**

1. Provide the date the applicant was first diagnosed with AD/HD. \_\_\_\_\_

2. Did you make the initial diagnosis? ☐ Yes ☐ No

If no, provide the name of the professional who made the initial diagnosis and when it was made, if known. Attach copies of any prior evaluation reports, test results, or other records related to the initial diagnosis that you reviewed.

\_\_\_\_\_  
\_\_\_\_\_

3. When did you first meet with the applicant? \_\_\_\_\_

4. Provide the date of your last complete evaluation of the applicant. \_\_\_\_\_

5. Describe the applicant's **current** symptoms of AD/HD that cause significant impairment across multiple settings and that have been present for at least six months. Provide copies of any objective evidence of those symptoms, such as job evaluations, rating scales filled out by third parties, academic records, etc.

---

---

---

6. Describe the applicant's symptoms of AD/HD that were **present in childhood or early adolescence** (even if not formally diagnosed) that caused significant impairment across multiple settings. Provide copies of any objective evidence of those symptoms, such as report cards, teacher comments, tutoring evaluations, etc.

---

---

---

**ATTACH A COMPREHENSIVE EVALUATION REPORT.** The provision of reasonable accommodations is based on assessment of the *current* impact of the disability on the specific testing activity. The BLE generally requires documentation from an evaluation conducted within the last three years to establish the current impact of the disability. The diagnostic criteria as specified in the *Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition* (DSM- IV-TR) (or most current version) are used as the basic guidelines for determination of an Attention Deficit/Hyperactivity Disorder (AD/HD) diagnosis. The diagnosis depends on objective evidence of AD/HD symptoms that occur early in the applicant's development and cause the applicant clinically significant impairment within multiple environments. Applicant self-report alone is generally insufficient to establish evidence for the diagnosis. Please provide a comprehensive evaluation report that addresses all five points below.

A. Sufficient numbers of symptoms (delineated in DSM-IV-TR) of inattention and/or hyperactivity-impulsivity that have persisted for at least six months to a degree that is "maladaptive" and inconsistent with developmental level. The exact symptoms should be described in detail.

B. Objective evidence that symptoms of inattention and/or hyperactivity-impulsivity that caused impairment were present during childhood.

C. Objective evidence indicating that current impairment from the symptoms is observable in two or more settings. There must be clear evidence of clinically significant impairment within the academic setting. However, there must also be evidence that these problems are not confined to the academic setting.

D. A determination that the symptoms of AD/HD are not a function of some other mental disorder (such as a mood, anxiety, or personality disorder; psychosis; substance abuse; low cognitive ability; etc.).

E. Indication of the specific AD/HD diagnostic subtype: predominantly inattentive type, hyperactive-impulsive type, combined type, or not otherwise specified.

### III. FORMAL TESTING

Psychological testing and self-report checklists cannot be used as the sole indicator of AD/HD diagnosis independent of history and interview. However, such findings can augment clinical data. They are particularly necessary to rule out intellectual limitation as an alternative explanation for academic difficulty, to describe type and severity of learning problems, and to assess the severity of cognitive deficits associated with AD/HD (inattention, working memory, etc.).

1. Is there evidence from empirically validated rating scales completed by more than one source that levels of AD/HD symptoms fall in the abnormal range? ☐ Yes ☐ No

If yes, please provide copies.

2. Is there evidence from empirically validated rating scales completed by more than one source that the applicant has been significantly impaired by AD/HD symptoms? ☐ Yes ☐ No

If yes, briefly describe the findings.

---

---

---

3. Was testing performed that rules out cognitive factors as reasonable explanations for complaints of inattention, distractibility, poor test performance, or academic problems? ☐ Yes ☐ No

If yes, briefly describe the findings.

---

---

4. Was testing performed that rules out psychiatric factors (anxiety, depression, etc.) or test

anxiety as reasonable explanations for complaints of inattention, distractibility, poor test performance, or academic problems? ☐ Yes ☐ No

If yes, briefly describe the findings.

---

---

---

5. Was testing performed to assess the possibility that a lack of motivation or effort affected test results? ☐ Yes ☐ No

Describe the findings, including the results of symptom validity tests.

---

---

---

#### **IV. AD/HD TREATMENT**

Is the applicant currently being treated for AD/HD? ☐ Yes ☐ No

If yes, describe the type of treatment, including any medication, and state the extent to which this treatment is effective in controlling the AD/HD symptoms. If it is effective, explain why accommodations are necessary.

---

---

---

If no, explain why treatment is not being pursued.

---

#### **V. ACCOMMODATIONS RECOMMENDED FOR THE WYOMING UNIFORM BAR EXAMINATION (CHECK ALL THAT APPLY)**

The Wyoming Uniform Bar Examination is a timed written examination administered in three-hour sessions from 9:00 a.m. to noon and from 1:30 p.m. to 4:30 p.m. on Tuesday and Wednesday as scheduled twice each year. There is a lunch break from noon to 1:00 p.m. each day.

The first day consists of six essay questions (MEE) in the morning session and two performance

test (MPT) questions in the afternoon session. The MEE and MPT are designed to assess, among other things, the applicant's ability to communicate his/her analysis effectively in writing. Applicants may use their personal laptop computers to type their answers, or they may handwrite their answers.

The second day consists of 200 multiple-choice questions (MBE), with 100 questions administered in the morning session and 100 questions in the afternoon session. Applicants record their answers by darkening circles on an answer sheet that is scanned by a computer to grade the examination.

Applicants are assigned seats, two per six-foot table, in a room set for up to 100 applicants. They are not allowed to bring food, beverages, or other items into the testing room unless approved as accommodations. The examination is administered in a quiet environment, and applicants are allowed to use small foam earplugs provided by the BLE. They may leave the room only to use the restroom or drinking fountain, within the time allotted for the test session.

**Taking into consideration this description of the examination and the functional limitations currently experienced by the applicant, what test accommodation (or accommodations, if more than one would be appropriate) do you recommend?**

The above-named person is requesting accommodations on the Wyoming Uniform Bar Examination. All such requests must be supported by a comprehensive evaluation report from the qualified professional who conducted an individualized assessment of the applicant and is recommending accommodations on the bar examination on the basis of a physical disability. The Wyoming Board of Law Examiners ("BLE") also requires the qualified professional to complete this form. **If any of the information requested in this form is fully addressed in the comprehensive evaluation report, you may respond by citing the specific page and paragraph where the answer can be found.** Please attach a copy of the evaluation report and all records and test results on which you relied in making the diagnosis and recommending accommodations for the Wyoming Uniform Bar Examination. We appreciate your assistance.

The provision of reasonable accommodations is based on assessment of the *current* impact of the disability on the specific testing activity. The BLE generally requires documentation from an evaluation conducted within the past year because of the changing manifestations of many physical disabilities. Older evaluation reports may suffice if supplemented by an update of the diagnosis, current level of functioning, and a rationale for each recommended accommodation or an explanation of why the report continues to be relevant in its entirety.

The BLE may forward this information to one or more qualified professionals for an independent review of the applicant's request. Print or type your responses to the items below. **Return this completed form, the comprehensive evaluation report, and relevant records to the applicant for submission to the BLE.**
