Clerk of Court

THIS MATTER, comes before the Court upon implementation of Wyoming Rules for Electronic Filing and Service on March 23, 2026.

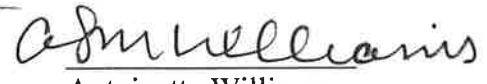

THIS COURT previously required plaintiffs in civil matters to provide the Court with pre-postaged envelopes to mail documents to pro se defendants. Upon implementation of e-filing in the Circuit Court, plaintiffs will no longer mail documents to the court; thus, the court will not be able to receive pre-postaged envelopes to mail notices to defendants.

IT IS THEREFORE ORDERED that Laramie County Circuit Court will require plaintiffs in civil cases to provide pro se defendants with documents related to the disposition of the pending matter. This order applies to all documents, including but not limited to: dismissals, stipulated judgments, summary judgments, entry of default, default judgments, and satisfaction of judgment

DATED THIS 18 day of May, 2026
