**Important Information about Court Reporters**

A court reporter is a person who makes a transcript (official written record) of everything that is said during a trial or hearing. If you know that you want (or think you might want) a transcript of your hearing, **you** must arrange for the court reporter to be there.

You must contact the court reporter **at least three working-days before** your hearing to make these arrangements. (You can learn more by reading Rule 904 of the Wyoming Uniform Rules for District Court.)

**Do You Need a Reporter?**

There may be many reasons to choose to have a court reporter at your hearing. One important thing to consider is that it's very difficult to appeal a judge's decision if you do not have a transcript of the hearing. That means: If the judge makes decisions you believe are incorrect, and you want another Court to look at whether the decisions were fair decisions, it will be very helpful to have a transcript. If you don't arrange for a court reporter to record the hearing, there will be no transcript.

If you want to arrange for a court reporter, the Clerk of District Court can provide you with contact information. Information is also available on the Wyoming Judicial Branch website at [wyocourts.gov](http://wyocourts.gov).

7.  I plan to request a court reporter for this hearing. I understand that I must make these arrangements at least three working-days before the hearing.

**OR**

I do not plan to request a court reporter for this hearing. I understand that means there will be no transcript.
